STOGA "74" PRESENTS, THE GRADUATING CLASS OF 1974

DEDICATED TO

DONALD JONES

There's a man in the world who is never turned down, wherever he chances to stray; he gets the glad hand in the populous town, out where the farmers make hay; he's greeted with pleasure on deserts of sand, and deep in the aisles of the woods; wherever he goes there's the welcoming hand -- he's the Man Who Delivers the Goods.

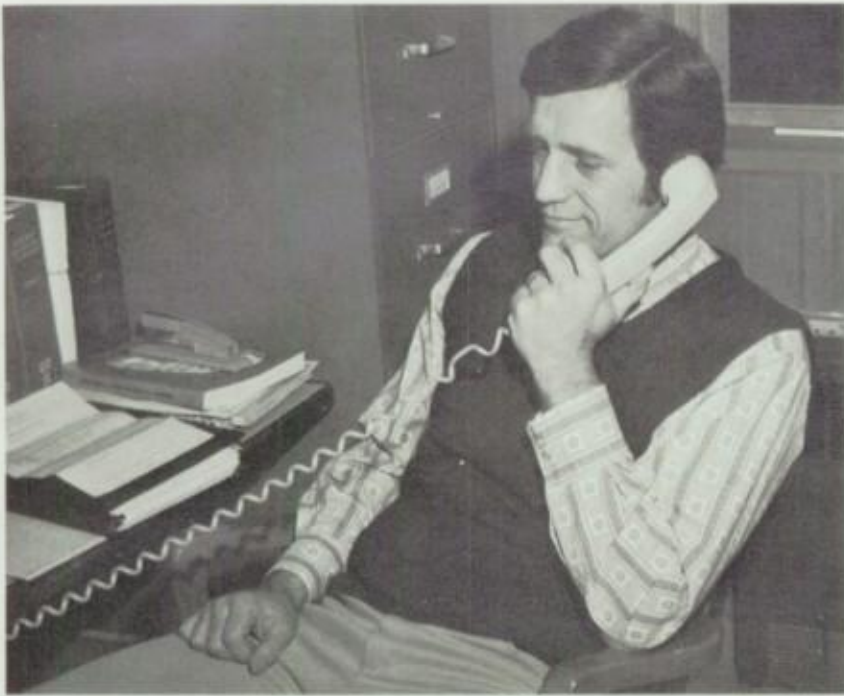

**MR. JONES
YOU'RE OUR MAN!
CLASS OF 1974**

IN MEMORY OF DON FUNKE

To sorrow,
I bade good-morrow,
And thought to leave him far away
behind;
But cheerly, cheerly;
We loved him dearly;
He was so constant to us, and so kind.

PRINCIPAL'S MESSAGE:

Man's history is written in his deeds. The 1974 Stoga is a ledger of your accomplishments at Calistoga High School. During the next fifty years you and yours will look back with many memories of the year that was.

Some of those 73-74 memories are new faculty members, J.V. Football champions, actual construction on the athletic facilities, the energy crisis, accreditation, our own lake on the football field, the science fair, Mrs. Parker's smile and the term paper in U.S. History. These and many other memories will make this year's Stoga an important book for you.

This past year will be known as the year of the "Energy Crisis." The causes have been man's failure to plan for the future and not conserve the resources he has. The solution must also come from man. You the students of Calistoga High will have to be a part of that solution. While you can have your memories of years gone by, you must be prepared to help solve the problems of the future. New sources of energy will have to be worked out. You must be prepared to face a change in your life style.

To the graduates of "74", I extend my congratulations and best wishes. Now that you have completed your twelve years in school you will find yourselves spending the rest of your life learning. Learn well because the world needs you.

Sincerely,

Robert A. Boehme

"We think the students of Calistoga High School are the greatest!"

"TAKE TIME - TIME TO LIVE, TIME TO THINK, TIME TO SMILE, TIME TO BE HAPPY. LIFE ISN'T NEARLY SO BLACK AS IT SEEMS ON A MONDAY MORNING AFTER A ROSY WEEKEND. REMEMBER, YOU CAN LIVE ONLY ONE CLOCK TICK AT A TIME, AND IF YOU RESOLVE TO BE HAPPY IN WHAT YOU ARE DOING, THEN YOU SURELY WILL BE. FOR HAPPINESS IS LARGELY A STATE OF MIND. IT IS NOT WRAPPED IN BRIGHT PACKAGES, MINK, OR CADILLACS. IT IS WRAPPED IN HAPPY THOUGHTS, SMILES, LAUGHTER, GOOD DEEDS, AND THAT WARM GLOW THAT COMES WHEN YOU'VE DONE SOMETHING NICE FOR SOMEONE ELSE. BUT ALL THIS TAKES TIME. IF YOU WON'T INVEST THE TIME, YOU CAN'T EXPECT THE DIVIDENDS--HEALTH AND HAPPINESS."

The Calistoga Wildcats did it again last Friday night. With a combination of excellent offense and superb defense, the team clawed their way to a 30-6 victory over the Kelseyville Indians. The win, which was their last game, gave the Wildcats a perfect record and no loss record in league play. The action started in the first quarter when after a long kick-off, the Indians took the field with a drive that ended with a touchdown. Calistoga's defense held them to a field goal.
